

WAF

MISSION:

Wisconsin Architects Foundation is a nonprofit, membership organization of design and construction professionals dedicated to being a catalyst to improve quality of life through research and education.

**Building a better Wisconsin
through architectural education.**

Architecture Summer Camp for high school students

WAF has contributed over \$325,000 to hundreds of students pursuing architectural degrees. WAF also was instrumental in the establishment of an accredited architectural school in Wisconsin.

In order to provide annual scholarship and public outreach programs, the WAF relies on regular contributions by architects and allied professionals and investment income. The WAF also benefits from gifts to its endowment, bequests and memorial contributions.

The WAF Board of Directors encourages you to support the goals of the Wisconsin Architects Foundation. Your tax-deductible contribution is vital to the future of the architectural profession in Wisconsin.

The Wisconsin Architects Foundation is a non-profit tax-exempt 501(c)(3) educational foundation governed by a nine-member Board of Directors elected by the WAF membership.
